AFFIDAVIT OF SEAN CASEY

BEFORE ME, the undersigned authority, on this day personally appeared Sean Casey, known to me to be the person whose signature appears below, and having been by me duly sworn, the said Sean Casey stated on oath as follows:

"My name is Sean Casey. I am over 18 years of age. I have never been convicted of a crime and I am personally competent to make this affidavit. I have personal knowledge of all facts stated in this affidavit, and they are true and correct.

I hereby affirm that I am the Director of Technology for the Lake Travis Independent School District and it was my responsibility to ensure that the September 11, 2006 board meeting, including the presentation of Petitioner's grievances in closed session, was recorded.

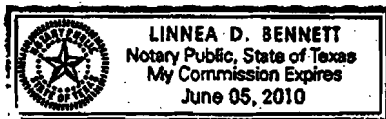

In setting up the audio recording for the meeting, I inadvertently changed inputs from the computerized audio/video switching system into the digital recording system. The District does not have a way of monitoring the audio recording during the meeting so the problem was not discovered until the next day when I went to dub a copy of the recording in order to fulfill a Texas Public Information Act request.

The failure to record Petitioner's grievance hearing was based purely on human error and was not done to frustrate the purposes Board Policy FNG (Legal and Local) or any other laws of this State."

Further, the Affiant sayeth not.
