QUICKNEWS from Lake Travis ISD

February 3, 2010

The following is sent on behalf of Lake Travis High School Principal Kim Brents

To Lake Travis High School Parents and Guardians:

As you may already know, local media outlets have reported, based on an arrest affidavit that they obtained from law enforcement officials, that a 17-year- old Lake Travis High School (LTHS) student has been charged with improper photography.

Though this involves a law enforcement matter and laws regarding student confidentiality prohibit me from sharing specifics regarding the student or this situation, please rest assured that the LTHS administration is taking the appropriate disciplinary action in accordance with our student code of conduct. While we believe this to be an isolated incident, we take this matter very seriously.

The LTHS administration will continue to take all appropriate and necessary measures to safeguard our students and communicate with our parent community. Please feel free to contact me should you have any questions or concerns.

Sincerely,

Kimberly Brents, Principal
Lake Travis High School
