Re: Response USB Key Loss

Dear Ms. Greenberg:

My December 21, 2005 letter to you did express several questions and concerns responsive to your letter of December 20, 2005 which states: "*Please do not hesitate to contact me if you have any questions or concerns regarding this matter*". Your letter of December 21, 2005 did acknowledge my denial of your allegations, but it was not responsive to the "*questions or concerns regarding this matter*" included in my correspondence directed to you. Your timely response to my concerns would only be appropriate since you requested them.

Sincerely,

David Lovelace
